Dated Bangalore, the 6th March *1943.*

Recruitment of personnel for posts of clerks and storemen in the Indian Army and for training in the R.I.N. and I.A.F.

SIR,

I am directed to say that following a personal discussion which the Technical Recruiting Officer, Southern Area, had with the Assistant Publicity Officer and the War Information Officer of the Government of Mysore, he has addressed the enclosed letter to the War Information Officer.

2. The Hon'ble the Resident trusts that the Government of Mysore will kindly assist in the dissemination of propaganda material and will also secure the co-operation of Heads of Schools and Colleges in this appeal.

3. As the S.S.L.C. examinations are to be held shortly, the Hon'ble the Resident would be grateful if the Government of Mysore would kindly communicate their consent direct to the Technical Recruiting Officer, a copy of the communication being sent to this Residency.

SUBJECT:- Recruitment of S.S.L.C. Students.

Sir:

I have the honour to state that large numbers of young men over 17½ years of age, who have passed the S.S.L.C. examinations, or who have studied up to that standard, are required for the Defence Services. They are needed as clerks and storemen in the Indian Army, for training in the Communication Branch of the R.I.N. and as writers, and also for training in ground duties in a number of trade groups in the I.A.F.

2. After consultation with the Director of Public Instruction, Madras, a scheme was evolved whereby a direct appeal is being made to S.S.L.C. students through the District Educational Officers and the Headmasters and Principals of Schools and Colleges. The nature of this appeal is as follows:

(a) The Director of Public Instruction, Madras, kindly undertook to forward about 500 'sets' of posters, pamphlets and Terms & Conditions of Service to District Educational Officers and to the Heads of Schools and Colleges, where there are S.S.L.C. students.

(b) A special leaflet is in course of preparation entitled "Opportunities for S.S.L.C. students". Between 30,000 & 40,000 of these are being printed for students in the Madras Presidency and the Director of Public Instruction has kindly offered to arrange for their distribution. This distribution will take place before the students disperse to their homes from the Schools and Colleges, after completion of the S.S.L.C. examination.

3. I write to enquire whether the Government of Mysore would be willing to assist in a similar way towards the dissemination of propaganda material to students and also to enlist the co-operation of the Heads of Schools and Colleges in this appeal.

4. If so, this organisation will arrange for the printing of additional quantities of the pamphlet referred to, and will also provide whatever is possible in the nature of pamphlets, posters and terms and conditions of service to the Heads of Schools and Colleges concerned.

An early decision is kindly requested in order to give time for the printing of additional pamphlets, and for their distribution before the completion of the S.S.L.C. examinations.

I have the honour to be,
Sir,
Your obedient servant,

F.G. Luke
